

# **ENVIRONMENTAL POLICY**

We recognise that our operations have an effect on the local, regional and global environment. As a consequence of this, the management are committed to continuous improvements in environmental performance and the prevention of pollution. Environmental regulation, laws and codes of practice will be regarded as setting the minimum standards of environmental performance.

## **ENERGY USE**

BBC LTD will use environmentally safe and sustainable energy sources to meet our needs. We will invest in improved energy efficiency of products we use.

## **RESPONSIBILITY FOR PRODUCTS**

BBC LTD considers the environmental impacts of its products at all stages of their life cycle from design, construction, customer use, and finally disposal.

## **RECYCLING**

BBC LTD will maintain that part of its environmental strategy is sustainable waste management and as such recognises its responsibilities to recycle materials and reduce consumption wherever possible.

## **DISPOSAL OF WASTE**

We will minimize waste, especially hazardous waste, and whenever possible recycle materials. We will dispose of all waste through safe and responsible methods.

## **SUPPLY CHAIN**

We will work with our suppliers to ensure they recognise and reduce the environmental impact of their products and transportation.

## **TRAINING PERSONNEL**

We will implement our policies through guidelines and training.
