Dear Bob

Please find attached final cheque in connection with quote no. 2208 invoice 2359.

Both my wife and I would like to take this opportunity to thank you and your staff for an excellent job on our extension, We would also like to remark on the helpful and friendly manner of your staff and the clean and tidy way in which they always left the premises.

As a construction company you are a credit to the industry and we would not hesitate to recommend you in the future.

Yours Sincerely

Tony Bourne
