To whom it may concern

We are pleased to recommend Bob Black as a builder.

We contracted Bob to construct an extension to our house, and are completely satisfied with the work done. Everything was carried out to the highest quality, and the job was completed to time.

We were particularly impressed by three things. Firstly, his workers were always polite and courteous to us. They were always willing to answer any specific questions we had about the work. Secondly, while working in an unrelated area, Bob noticed a significant problem (which was subsequently confirmed by our architect). He informed us about it in a timely manner, so that the repair could be done efficiently at minimal expense.

Finally, and unlike previous builders we have employed, the finished rooms were left clean and tidy, such that we could immediately start using them.

We have no hesitation in recommending him, and would choose him again for any similar work.
