TO WHOM IT MAY CONCERN

**Bob Black Construction Limited**

It is with great pleasure that I write this reference for Bob Black Construction Limited and have to say that it has been an inspiration to watch such talented and dedicated craftsmen who obviously take such pride in their work.

Nothing has been too much trouble for this Company who have had to work through some of the most atrocious weather in history but have always been cheerful and polite throughout their contract.

I would not hesitate to recommend Bob Black and his Company to anyone who requires a first-class job at an extremely honest price. A Company such as this, which has such an eye to detail, are cost conscious and have a great appreciation and understanding of Listed Buildings is very hard to come by in this day and age.

It has been our good fortune to engage Bob Black Construction Limited to carry out extensive work on our Grade II listed estate, which has resulted in a beautiful building which we are all very proud to be associated with. The estate has been sympathetically enhanced beyond measure and will be enjoyed by many generations to come.

Yours sincerely

Anne Eadon (Miss)  
Assistant General Secretary
